Subject: Cessation Orders, Color Country Rock, LLC., Windy #3 and Vermilion Mines, S/053/0071 and S/053/0076, Washington County, Utah

Dear Mr. Fawcett:

Enclosed please find cessation orders for the Windy #3 and Vermilion Mines. These Orders are being issued for failure to provide or maintain a reclamation surety as required.

The Division's original deadline for submitting the replacement sureties was May 15, 2012, and we have patiently waited for you to arrange for an alternative surety after the failure of SunBank. Based on conversations with representatives of Cache Valley Bank, it appears you have not been diligent in providing the necessary forms for them to process a replacement surety for you.

Please note that there is to be no additional mining or removal of previously mined materials until the Division has an acceptable replacement surety. You will be notified when the civil penalty assessment has been made.

Instructions for appealing the orders are on the back of the forms.

Please contact Lynn Kunzler at 801-538-5310 or me at 801-538-5261 if you have questions about the cessation orders or the appeal process.

Sincerely,

Paul B. Baker
Minerals Program Manager
